Well kept Lodge style development on a nine hectare plot with good indigenous trees and natural bush and with a game viewing dam area pumped from the borehole on the property with very good local wildlife of impala, kudu, sable, giraffe and excellent birdlife set back from the main Kasane/Kazungula to Francistown road, and well situated to benefit from passing tourist traffic to and from Kasane, Zambia and Victoria Falls.

You dream of Africa, of finding solitude and relaxation away from typical tourist attractions, a place that will leave a lasting impression, the 'real' African adventure Botswana in Pandamatenga.

The chalets are tastefully decorated and offer comfortable rooms around to relax after a long day of exploring the beautiful nature around the lodge.
