2 Bedroom Apartment For Sale in Mmopane Central

SEEFF5343

Located in Mmopane, Botswana - Seriti Estate offers 4 types of units aimed at both individuals and families. These apartments are nested into 12 units per block reaching 3 stories in height. The modern finishes on the building boast an exciting combination between brick and plaster. All units have 2 bedrooms, one bathroom.

A key element included into the development is the two plan types that accompany paraplegics.

This considerate touch has units that are identical to the standard units except for:

- The bathroom doors that close outwards
- Grab rails within the bathroom

This offers an exciting prospect for families who have a member with a physical disability or require assistance due to age, allowing families to have privacy from one another while residing in their own unit.
